

COMMENT UTILISER LE PORTE-ECHEVEAU

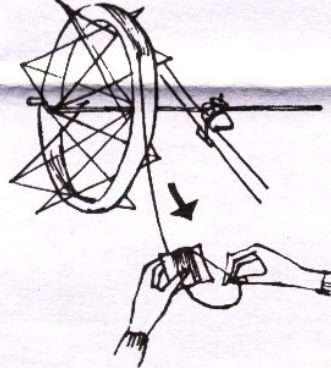

1. COMMENT FIXER LE PORTE-ECHEVEAU SUR LA TABLE.

Placer le dispositif de blocage au bord de la table en le tenant avec la main gauche. Tourner le bouton vers la droite (sens des aiguilles d'une montre) comme indiqué sur la figure.

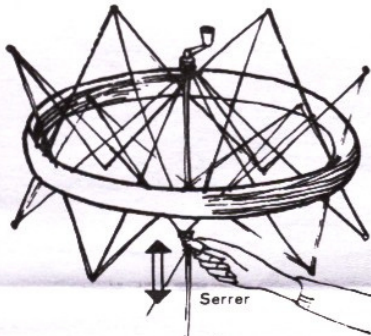

3. COMMENT UTILISER LE PORTE-ECHEVEAU.

Bobinage manuel du fil provenant du porte-écheveau.

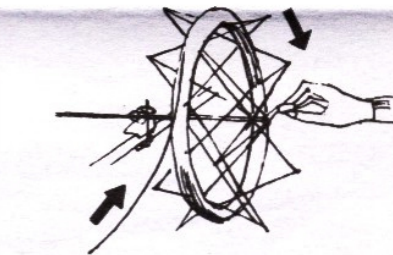

Confection d'un écheveau

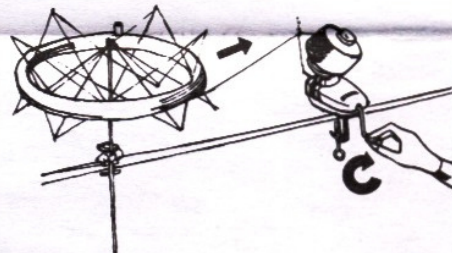

2. COMMENT PLACER L'ECHEVEAU.

Placer l'écheveau sur des baleines en vinyle et relever le taquet d'arrêt pour déployer l'écheveau. Pour refermer les baleines, pincer le taquet d'arrêt avec les doigts et l'abaisser. Avec l'écrou de réglage, vous pouvez varier la position du porte-écheveau.

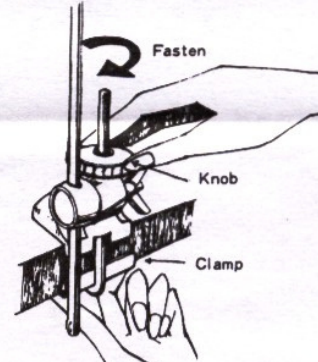

Utilisation du porte-écheveau conjointement avec le bobinoir.

HOW TO USE THE SKEIN HOLDER

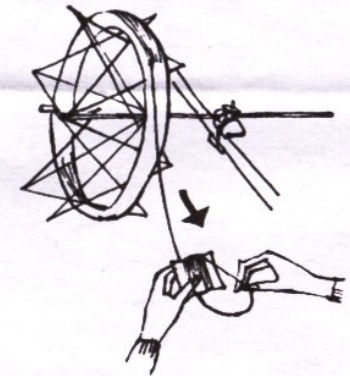

1. How to set the Skein holder to the Table.

Set the Clamp to the edge of table, and holding it by left hand, turn the Knob to right (clockwise) as shown in the illustration.

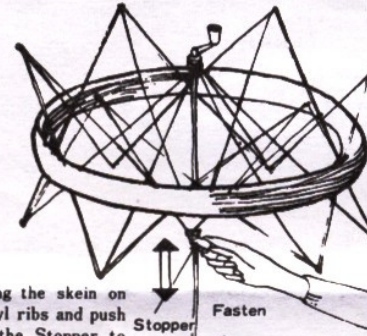

3. How to use the Skein holder.

Winding yarn manually from Skein holder

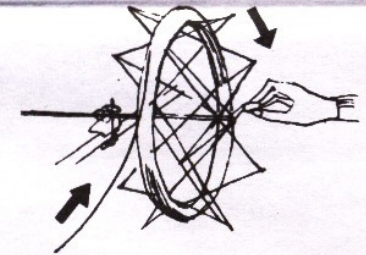

Making up a skein

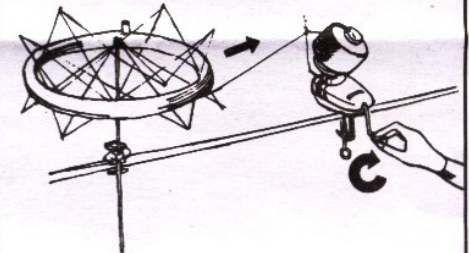

2. How to hang on the skein.

Hang the skein on vinyl ribs and push up the Stopper to spread the skein. When shut the ribs, pinching the Stopper by fingers, and let it down. You can adjust the Skein holder to any angle by Adjuster nut.

Using Skein holder together with Yarn winder

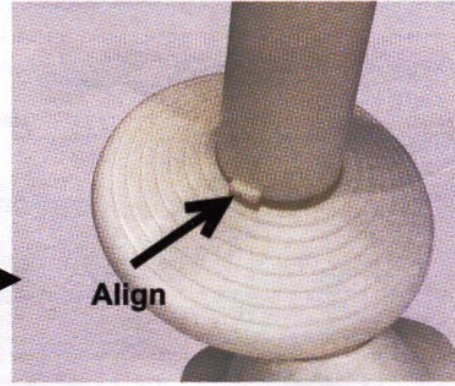

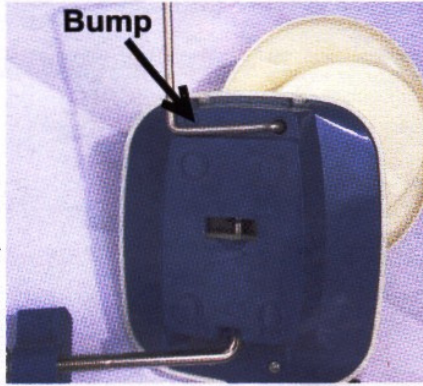

Instructions to Use Yarn Ball Winder YBW-A

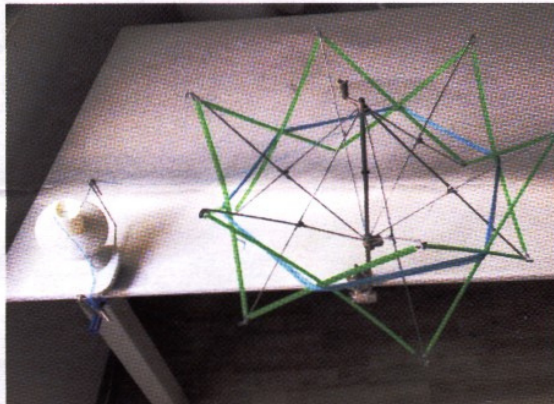

NEEDHAM PUBLIC LIBRARY
1139 Highland Avenue
Needham, Massachusetts 02494

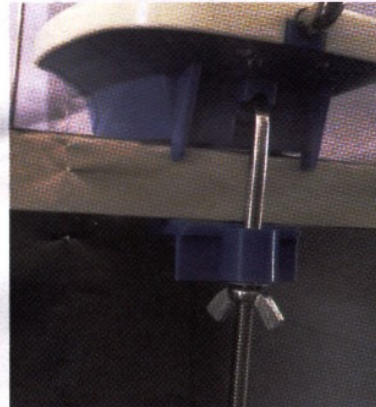

To set up the wire arm, rotate the arm leftward and force it through the bump as shown to lock it in.

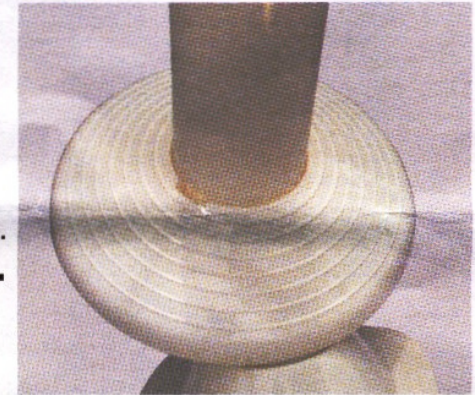

Align the bobbin to its base as shown. Lock it by pushing down and turning counter clockwise.

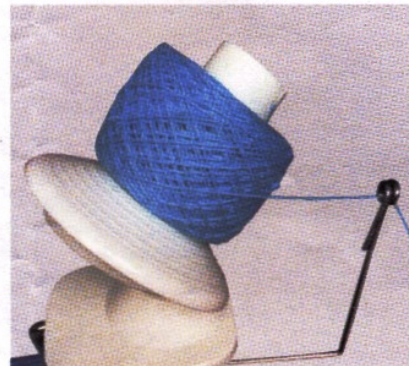

Unwind a hank of yarn and mount it on a swift winder, or other devices (your helper's arms).

Clamp the ball winder tightly to a sturdy table.

Thread the yarn through the wire arm and then tightly into the cleft of the bobbin. Be sure the yarn does not slip. Begin turning the crank on the ball winder clockwise to start winding.

Slide the yarn ball out of the bobbin. Pull the lead from the center of the ball.

Founder's Letter

Olikraft: It's More Than A Hobby

There are a few things that can replace the feeling of satisfaction you get when you've finally finished that big crafting project — when the countless hours and all of your hard work pay off with a finished product that you can take pride in. Time to sit back and enjoy what you've created...until it's time to start the next project! Olikraft was created to provide you with everything you need to keep your crochet and knitting dreams moving forward.

Regardless of what you're working on next, it can get costly moving from one project to the next. We believe that expenses shouldn't get in the way of your passion. That is why we're committed to providing the quality you deserve at prices you can afford, so that nothing stops you from crocheting or knitting to your heart's content.

Whether you're a yarn fanatic like us or just getting into it, Olikraft is the only place you need to find everything you need. Everything we sell is backed by our commitment to providing the ultimate customer experience, and that means we'll provide you with the service and support you need to answer all of your questions. Because at the end of the day, you deserve a partner you can rely on, and we think you shouldn't have to overpay to enjoy your passion. Welcome to Olikraft, where it's more than a hobby. It's a way of life.

Yarn Ball Winder Instruction Manual

Step 1:

Set up the wire arm: rotate the arm leftward and force it through the bump to lock it in

Step 2:

Align the bobbin to its base: lock it by pushing down and turning counter clockwise

Step 3:

Clamp the ball winder tightly to a sturdy table

Step 4:

Unwind a hank of yarn and mount it on the yarn swift

Step 5:
